This home, now for sale, exudes beach house chic and it's located on the most beautiful three-mile-long, white sand bay on Oahu. This stunning home was completed in 2020.

As you walk through the gate, you enter an elegant courtyard with a swimming pool, a 10-person spa, and outdoor furnishings. Through the walls of pocket doors, you enter the living room complete with designer furnishings, stylish lighting, focal point chandelier, and an ocean-facing view.

The kitchen was carefully designed with entertaining in mind. From the beautiful hardware, tile work, and cabinetry right down to the irresistible "coffee maker" and in-counter beer taps, the kitchen is the pièce de résistance. Nothing was missed. Nearby, but not within sight, is a separate prep area perfect for a private chef's team to work their magic.

Four bedrooms and three full bathrooms are located on the ground floor while the second floor is reserved for the spacious, romantic master bedroom that features a deep soaking tub, oversized shower, walk-in closet, and an ocean view, outdoor patio. Also on the second floor is a second kitchen and living area with a fifth full bathroom. The layout thoughtfully considered traveling with grandparents, or a second family who prefer to keep their small child close to them and need access to the second kitchen, or travelers who appreciate the privacy and additional space of the second floor.

This one-of-a-kind home in Kailua offers the best of vacationing on Oahu - private beachfront living in the heart of a charming town filled with boutiques, cafés, bike paths, and hiking trails with Waikiki, Honolulu, and the North Shore nearby.
